|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 122115-01 | <p>990/991 Test Adapter. Package includes: 990/991 Test Adapter, 9V battery, Universal AC Adapter, Power Cord (North American), User Guide and Soft Carrying Case.</p> <p>The 990/991 Test Adapter inverts and isolates the PROX OUT signal from the 990 Transmitter so that you can connect 990 Transmitters to AC-powered diagnostic equipment. The Adapter modifies the PROX OUT signal so that it matches our standard Proximitator sensor signals by performing these functions:</p> <ul style="list-style-type: none"> <li>• Shifts the phase of the PROX OUT signal by 180° by changing the voltage from positive to negative</li> <li>• Shifts the phase of the PROX OUT signal by 180° by changing the voltage from positive to negative</li> <li>• Shifts the phase of the PROX OUT signal by 180° by changing the voltage from positive to negative</li> </ul> <p>The 990/991 Test Adapter provides the following benefits:</p> <ul style="list-style-type: none"> <li>• Small size and weight for portable operation</li> <li>• Battery or AC adapter power options</li> <li>• Automatic shutoff circuit that powers down the unit when the battery is low</li> <li>• 2 channels, so that you can display an orbit for XY probe configurations.</li> </ul> |
|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

## 990/991 Test Adapter Accessories

|           |                                                                               |
|-----------|-------------------------------------------------------------------------------|
| 123266-01 | Coaxial Cable Kit. Includes 4 cables with length of 1.5 meters (5 feet) each. |
| 02211505  | Single coaxial cable with length of 1.5 meters (5 feet).                      |

## 990/991 Test Adapter Spare Parts

|          |                                                                                                                                                |
|----------|------------------------------------------------------------------------------------------------------------------------------------------------|
| 01810700 | Battery (9 volt alkaline).                                                                                                                     |
| 02270056 | AC adapter. Has universal AC input to 9 volts DC output. Input is 108 to 132 Vac with 120 Vac nominal, or 207 to 253 Vac with 240 Vac nominal. |
| 02198937 | Power cord (for North American AC power outlet).                                                                                               |
| 123133   | 990 Test Adapter User Guide                                                                                                                    |

## Probe and Transmitter Accessories

|           |                                                                                                                                                                                                                  |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 02173006  | Bulk cable (specify length in feet). 1.0 mm <sup>2</sup> (18 AWG), 2-conductor, twisted, shielded cable used for the 4 to 20 mA loop. Also used for the PROX OUT signal on the 990 Transmitter's terminal strip. |
| 123655    | 990/991 Transmitter System Installation User Guide                                                                                                                                                               |
| 330153-05 | Cable Connector Kit. Package includes 1 set of 75 $\Omega$ miniature male and female connectors, shrink tubing and 3300 Isolator Seal for protection of coaxial connectors.                                      |
| 163356    | Connector Crimp Tool Kit. Includes one set of 75 $\Omega$ ClickLoc inserts and connector installation instructions. Supplied with carrying case.                                                                 |
